WORK EXPERIENCE

fresher

I dont have any experience and looking for the opportunity to explore my tech skills and want to contribute the industry to there requirement and learn the real world experiences.nces.

PROJECT

cLI quize app   2022

- I have made a Quize app using javascript it takes inputs for the users and gives output through the answer.
- In this program i used some javascript components such as functions,for loop and if else conditions.

feedback Ui   2023

- For this feedback Ui I used HTML CSS and JavaScript.
- In this Ui its ask users for feedback and users can click on the given emojis by there experiences for the feedback.

Netflix clone   2023

- I Made Netflix home page clone using HTML, CSS and JavaScript.
- In this project I used some famous CSS property like, Flex-box z-index, position etc.
